

## TRAILS

### MAZATZAL WILDERNESS

There is a network of some 240 miles of “system” trails serving the Mazatzal Wilderness Area and contiguous areas. Their condition varies from satisfactory to very poor. All trails are closed to motor vehicles and mechanical transport such as bikes.

Use a great deal of caution when traveling on backcountry trails such as this one and be aware of the risks you assume.

A few brief comments are in order about the following trail:

**Davey Gowan Trail 48:** 1.5 miles long. An alternate route into or out of Deer Creek Canyon. Located in a stand of mixed conifer and named after a pioneer explorer of this area. Elevation: 4,760 - 5,250 feet. Termini: Forest Road 201 (one mile east of **Peeley TH**), and Trail 45.

No more than 15 people are allowed to be in a group. No more than 15 head of livestock are allowed in a group.
